

TOPICS FOR DISCUSSION AT THE JANUARY 16, 2014 DTAG PLENARY:

1. Identify potential negative impacts and unintended consequences of the Export Control Reform Initiatives on industry and provide recommendation on how to overcome/minimize such impacts.
2. Review the impacts on industry for use of the exemptions authorized to support the Defense Trade Cooperation Treaties between the United States and the United Kingdom and Australia respectively.
3. Provide a proposal for an effective export control system for non-lethal, non-Category I UAVs that would facilitate their use in non-military roles.
4. Review how various USG agencies define controlled unclassified information (CUI), including export controlled technical data, and critical program information (CPI). Review the statutory, regulatory and other bases (e.g., policy or directive) for agency control. Assess how USG agencies impose potentially competing requirements on industry for protecting CUI and CPI.
