

EADS Marco Aviation Changing to Sogerma Marco Aviation

Effective immediately, **EADS Marco Aviation of Morocco** will change as follows: **Sogerma Marco Aviation**. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does **not** apply to approved or pending agreements.

All currently approved DSP authorizations identifying **EADS Marco Aviation** will not require an amendment to reflect the change to **Sogerma Marco Aviation**. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying **EADS Marco Aviation** as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after August 31, 2014, identifying **EADS Marco Aviation** as a party to the license will be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The name change may be made as part of the next major amendment. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
