

**Energy Resources Conservation Board (ERCB) Changing to Alberta Energy Regulator (EAR) along with an Address Change**

Energy Resources Conservation Board (ERCB) has changed to Alberta Energy Regulator located at 250-5 Street SW, Suite 1000, Calgary, AB T2P OR4, Canada.

Effective immediately, Energy Resources Conservation Board has changed as follows: Alberta Energy Regulator located at 250-5 Street SW, Suite 1000, Calgary, AB T2P OR4, Canada. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does not apply to approved or pending agreements.

All currently approved DSP authorizations identifying Energy Resources Conservation Board will not require an amendment to reflect the change to Alberta Energy Regulator. A copy of this website notice must be attached to the currently approved licenses by the license holder.

Pending authorizations received by DDTC identifying Energy Resources Conservation as a party to the license the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after April 30, 2015 identifying Energy Resources Conservation as a party to the license will be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
