

## **Ing Rolf Aaberg Address Change**

Effective immediately, Ing Rolf Aaberg at Lyngdal Norway will change as follows: Jakt & Friluft at Bryggeriveien 4, 4848 Arendal, Norway. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls, Bureau of Political Military Affairs, is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying, Ing Rolf Aaberg at Lyngdal Norway will not require an amendment to reflect the change to Jakt & Friluft at Bryggeriveien 4, 4848 Arendal, Norway. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying Ing Rolf Aaberg at Lyngdal Norway as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after September 1, 2013, identifying Ing Rolf Aaberg at Lyngdal Norway as a party to the license on the license will be considered for return without action for correction to the new name.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying Ing Rolf Aaberg at Lyngdal Norway will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
