

MAN Diesel Canada Ltd Changing to MAN Diesel & Turbo Canada Ltd.1

Effective immediately, **MAN Diesel Canada Ltd.**, will change as follows: **MAN Diesel & Turbo Canada Ltd.1**. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying **MAN Diesel Canada Ltd** will not require an amendment to reflect the change to **MAN Diesel & Turbo Canada Ltd.1**. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying **MAN Diesel Canada Ltd** as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **July 31, 2011**, identifying **MAN Diesel Canada Ltd.**, as a party to the license will be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying **MAN Diesel Canada Ltd.**, will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
