

GKN Aerospace Engineering Services Pty Limited of Australia changes name to QuEST Global Engineering Limited

Effective immediately GKN Aerospace Engineering Services Pty Limited will change its name to QuEST Global Engineering Limited. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying GKN Aerospace Engineering Services Pty will not require an amendment to reflect the change in name. A copy of this website notice must be attached to the currently approved license by the license holder.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

Pending authorizations received by DDTC identifying GKN Aerospace Engineering Services Pty Limited as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after February 1, 2012, identifying GKN Aerospace Engineering Services Pty Limited as a party to the license will be considered for return without action for correction to the new name.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying immediately GKN Aerospace Engineering Services Pty Limited will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
