

**SEGERS AERO CORPORATION ACQUISITION OF  
SEGERS AVIATION INCORPORATED**

Effective immediately, Segers Aviation Incorporated, (Segers Aviation) will now operate under Segers Aero Corporation, (Segers Aero) as a result of an acquisition. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations indentifying Segers Aviation will not require an amendment to reflect the acquisition by Segers Aero. A copy of this website notice must be attached to any future license by the license holder.

Pending authorizations received by DDTTC indentifying Segers Aviation on the license will be adjudicated without prejudice. A copy of this website notice must be attached to any future license by the future license holder.

New license applications received after May 31, 2013 indentifying Segers Aviation on the license may be returned without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at the time of shipment.

All currently approved agreements held by a third-party will not require an amendment to be executed to reflect this acquisition. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124(d) and must be submitted as such. New DSP-83s must be executed as a result of the acquisition, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
