

**Acquisition of Airbus DS Electronics and Border Security GmbH by  
Kohlberg Kravis Roberts & Co., L.P.**

Effective November 30, 2016, Airbus DS Electronics and Border Security GmbH (EBS Germany) is expected to be acquired by funds affiliated with Kohlberg Kravis Roberts & Co., L.P. (KKR). Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does not apply to approved or pending agreements.

All currently approved DSP authorizations identifying EBS Germany will not require an amendment to reflect the change. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying EBS Germany on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

The attached listed of approved agreement ONLY may be modified to either, (1) change the signatory of the agreement from Airbus Defence and Space GmbH (ADS Germany) to EBS Germany, and include ADS Germany to be a sublicensee; or (2) maintain ADS Germany as a signatory and include EBS Germany as a sublicensee; or (3) include both ADS Germany and EBS Germany as signature to the agreement. The modification will require an amendment to be executed.

The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such within 120 days of the effective date of this notice. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to U.S. Customs and Border Protection at time of shipment.
