

**UTi United States, Inc. (UTi) to DSV Air & Sea Inc. (DSV) Change
of Freight Forwarder**

Effective immediately, UTi United States, Inc. (UTi) will change as follows: DSV Air & Sea Inc. (DSV). Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does not apply to approved or pending agreements.

All currently approved DSP authorizations identifying UTi will not require an amendment to reflect the change to DSV. As an exception, both DSV and UTi would remain active to handle transactions until all transitions are complete. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying UTi on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received **30 days** after the transition is complete, identifying the **UTi** on the license will be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to U.S. Customs and Border Protection at time of shipment.
