

UK-U.S. Defense Trade Cooperation Treaty: Eligible Cooperative Programs

Notes:

1. Use of the Treaty for export and movement of defense articles/services/information does not in any way waive any of the requirements in each agreement, including those regarding disclosure and use, intellectual property, and Third Party Sales and transfers.
2. Eligible programs are identified on this list; it is up to the exporter to determine whether export or movement of an article linked to one of these programs is consistent with Treaty requirements.
3. Sensitive or Classified programs which MAY be eligible are not listed here – please consult with appropriate defense authority.
4. For Multilateral (ML) Master or Framework Agreements indicated below – ONLY bilateral program/project data or bilateral programs/projects can be considered for Treaty eligibility.
