

IBM Forms Viewer v8.0.1 Installation Guide

The IBM Forms Viewer (v8.0.1) is the only forms viewer compatible with DTrade DSP forms. The IBM Viewer is required to access, view, and use the DTrade DSP forms. Other form viewers (e.g., PureEdge and Lotus) must be uninstalled before beginning the installation process of the new forms viewer. The new IBM Forms Viewer (v8.0.1) can be downloaded via [DTrade](#) or the [DTrade Information Center](#) page.

REQUIREMENTS

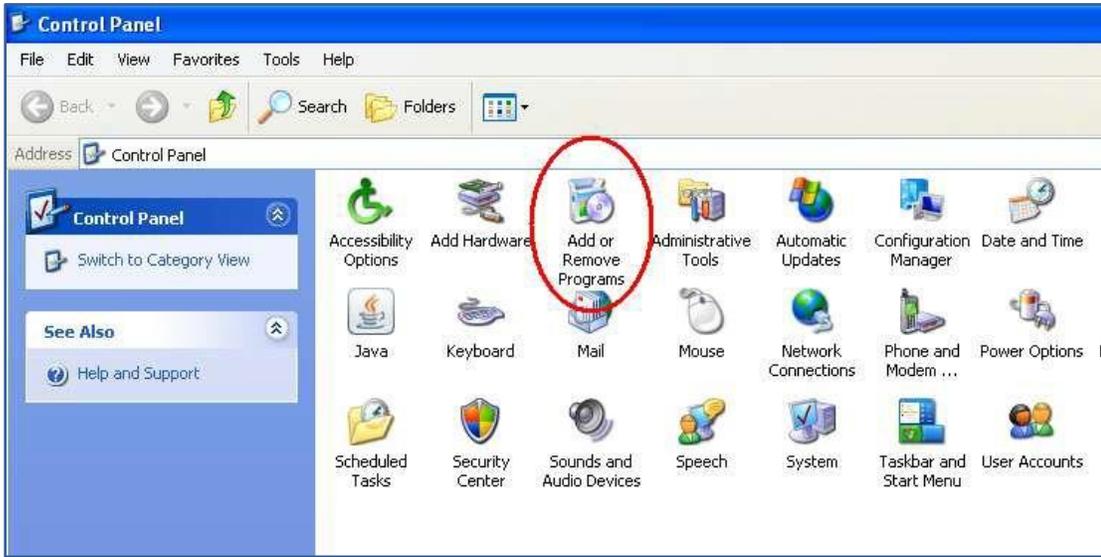

1. ACES digital certificate [registered with DTrade](#).
2. Appropriate user roles (e.g., signature authority or submitter) assigned by your company's super user.
3. Windows 7 SP1, Vista, or XP SP3 operating system
4. Internet Explorer versions 6, 7, 8, or 9

REMOVE EXISTING VIEWERS

1. Uninstall all prior versions of form viewers—PureEdge, Lotus, or both.
 - a. Uninstall program(s) using Add or Remove Program in Control Panel

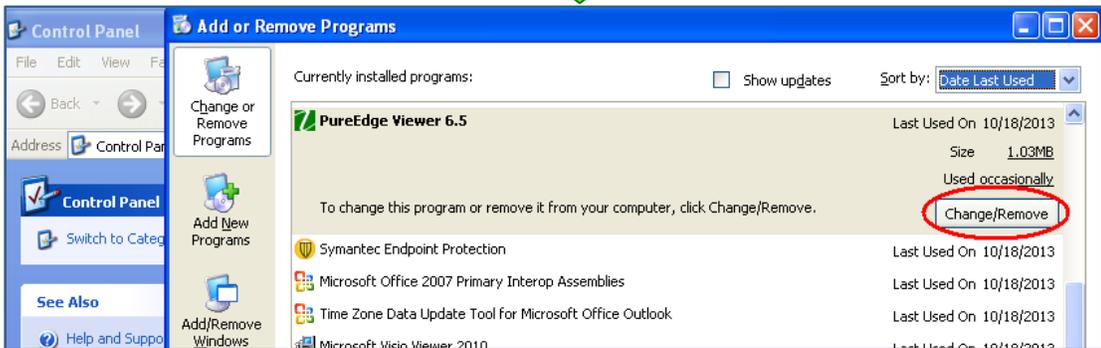

Window Start Button

Control Panel Menu

Add or Remove Program

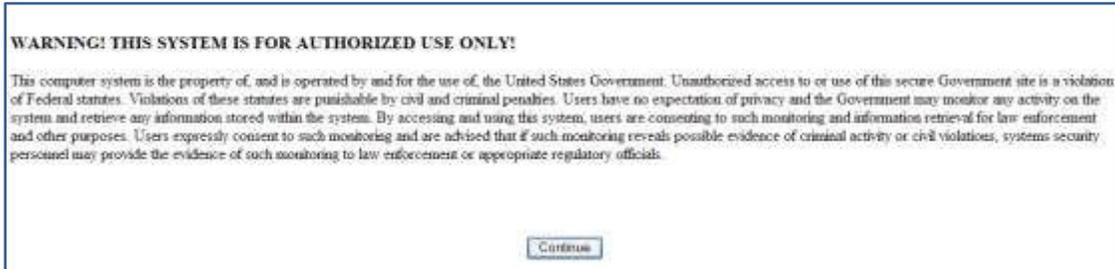

Select and uninstall Form Viewers

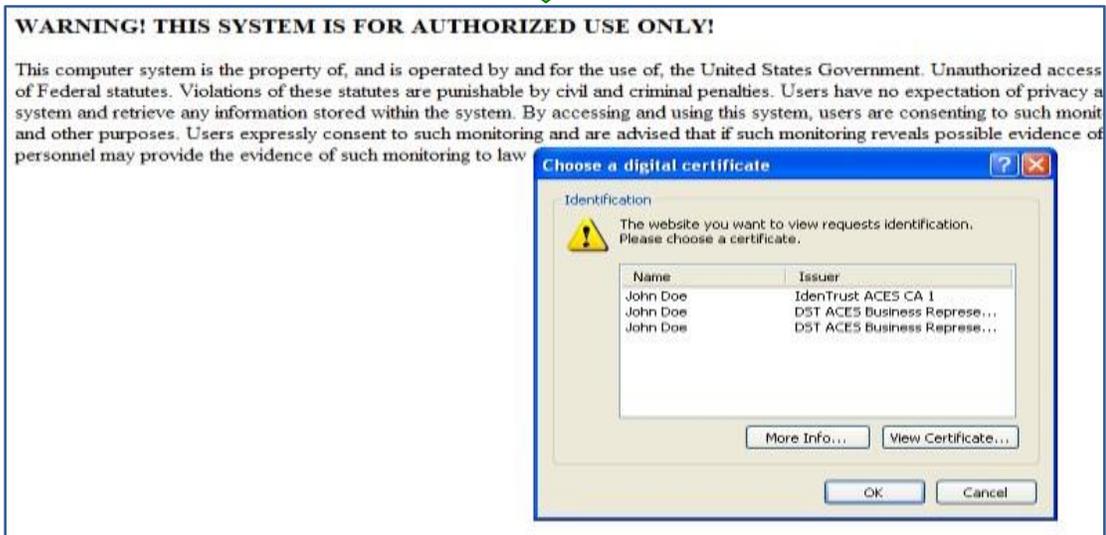

Note: Both PureEdge Viewer and Lotus Form Viewer might be installed on the computer. Please make sure both are uninstalled before proceeding with the installation of the new form viewer. Reboot your computer after the viewer uninstall is complete.

INSTALL NEW FORMS VIEWER

1. Download the IBM Forms Viewer (v8.0.1) via [DTrade](#) or the [DTrade Information Center](#) page.
 - a) To download IBM Forms Viewer (v8.0.1) from [DTrade](#), login to DTrade with your registered digital certificate.

Login Successful Page

Certificate Authentication Popup Window

b) Download and save the new IBM Forms Viewer to the Desktop.

IBM Forms Viewer Application Download

You have selected to download the IBM Forms Viewer application. This application is required for all users, as it will allow you to submit forms to the system. IBM Forms Viewer will also allow you to circulate these forms to others within your organization prior to submitting them.

You must have at least 84.4 MB of free space on your hard drive to download this file. Please be sure that you have sufficient free space before proceeding.

Once you have initiated this download process, you will be prompted to either run or save the file. Please select 'Save' and click 'OK' to select a storage location on your hard drive and click 'Save'. Once the application download is completed, you will be prompted to run the application. Please select 'Run'. You will then be prompted through the application installation process by an installation wizard. Please follow the prompts.

To continue the application download process, please click below.
