

B/E Aerospace Consumables Management to KLX Poland

Effective immediately, **B/E Aerospace Consumables Management** will change as follows: **B/E Aerospace Consumables Management** is changing to **KLX Poland**. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorization identifying **B/E Aerospace Consumables Management** will not require an amendment to reflect the name change to **KLX Poland**. A copy of this website notice must be attached to the approved license by the license holder.

Pending authorizations received by DDTC identifying **B/E Aerospace Consumables Management** as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **March 31, 2015**, identifying **B/E Aerospace Consumables Management** as a party to the license may be returned without action for correction to the new change.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border protection at time of shipment.

All currently approved agreement will require an amendment to be executed to reflect the name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22CFR 124.1(d) and must be submitted as such. New DSP-83 Forms must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary change will be made prior to issuance when the Agreements Officer has been notified.
