

ADDRESS CHANGE FOR VIRGINIA POLYTECHNIC AND STATE UNIVERSITY

Effective immediately, Virginia Polytechnic and State University's address will change as follows: 300 Turner Street NW, Blacksburg, Virginia 24061. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls, Bureau of Political Military Affairs is exercising the authority under 22 CFR 126.3 to waive the requirement for formal amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying 201 Southgate Center, Blacksburg, Virginia 24061 will not require an amendment to reflect the change to 300 Turner Street NW, Blacksburg, Virginia 24061. A copy of this website notice must be attached to the currently approved licenses by the license holder.

Pending authorizations received by DDTC identifying 201 Southgate Center, Blacksburg, Virginia 24061 on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved licenses by the license holder.

New license applications received after July 31, 2013 identifying 201 Southgate Center, Blacksburg, Virginia 24061 on the license may be returned without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant licenses to Customs & Border Protection at time of shipment.

All currently approved agreements held by a third-party will require an amendment to be executed to reflect this address change. The agreement holder will be responsible for amending their agreements. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such.

Pending agreement applications identifying 201 Southgate Center, Blacksburg, Virginia 24061 will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the address change in the executed agreement.
