

Spot Image SA of France Changing to Airbus DS Geo SA

Effective immediately, Spot Image SA of France will change as follows: Airbus DS Geo SA. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does **not** apply to approved or pending agreements.

All currently approved DSP authorizations identifying Spot Image SA of France will not require an amendment to reflect the change to Airbus DS Geo SA. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying Spot Image SA of France as a party on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after February 28, 2015 identifying Spot Image SA of France on the license will be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
