

SEPTEMBER 30TH SEMINAR

Please be advised that due to recent and upcoming changes to DDTC policies, we will increase the number of attendees for the September 30th seminar. Candace Goforth will be hosting this seminar and although the seminar itself is not commodity or division specific, there will be Licensing and Agreements Officers on hand from most if not all of the divisions to address questions/concerns. Registration will be Friday, August 20th through Friday, September 3rd. There is no limit to the number of attendees a company may send but the seminar is on a first come, first serve basis. If you have any questions, please feel free to contact Lisa Brown via email at brownfd@state.gov.

Thank you,

DDTC Licensing
